British Factory Outdoor Power Supply

Overview

Who are pop up power supplies?

UK firm Pop Up Power Supplies provides a wide range of retractable and in-ground service units to provide electricity, water, gas and more, plus power bollards.

What are the different types of outdoor power units?

There are three main units in our range – Pop Up units, Power Bollards and In-ground, also known as Flip lid, all of which provide a range of outdoor power. We offer a range of configurations, as well as bespoke In-ground power units or Pop Up units with recessed tops that can accommodate different forms of surface material such as paving.

Are pop up power supplies suitable for mop Fayre's?

Pop Up Power Supplies have a range of service units that are suitable for both rides and stalls at traditional Mop Fayre's. It's been a busy and fulfilling year for us here at Pop Up Power Supplies. Our projects have been diverse to say the least! GET YOUR SKATES ON!.

What are pop up power supplies ® retractable service units?

Pop Up Power Supplies Ltd ® range of retractable service units provide electricity for public spaces such as urban areas, historic sites, market places, town squares and parks. Our units also provide legacy for special purpose stadiums.

Do you need a secure power supply for an outdoor event?

When holding an outdoor event, a secure power supply is vital. Our retractable supply units and In-ground power units are proven to deliver both a constant and efficient power supply, wherever needed.

Where are Interpower products & services installed?

Interpower products and services are installed in high profile installations around the world, including government & ministry buildings, critical military applications, and emergency life support roles. We are approved suppliers to several global oil companies, and have emergency generators serving in harsh and hazardous offshore environments.
