

SolarTech Power Solutions

Cape Town PV Energy Storage 80kw Inverter Quote

Overview

Why should you buy a solar inverter in Cape Town?

These lithium-ion batteries offer excellent longevity and performance, suitable for powering your household or business premises. Buy top-rated inverters in Cape Town for an uninterrupted power supply. We cater to an array of solar panel brands including the likes of Ja Solar, Jinko, Longi, CNBM, Canadian, and Seraphim.

Which power inverters are available in Cape Town?

Embrace a greener lifestyle with our extensive range of power inverters in Cape Town. Whether you're looking for a basic power inverter for home or a sophisticated solar power inverter installation, we've got you covered. Our product line features popular inverter brands like Deye Inverter, Luxpower Inverter, and SRNE Inverter.

What is Deye 80kW 3 phase hybrid inverter (high voltage)?

Deye 80kw 3 Phase Hybrid Inverter (High Voltage) delivers powerful solar storage, seamless grid/off-grid switching, and advanced multi-MPPT performance.

Where are solar inverters available in South Africa?

Our solar inverter solutions are available throughout South Africa; whether you reside in Somerset West, Stellenbosch, Montague Gardens, Melkbosstrand, Langebaan, Vredenburg, Velddrif, Cape Town, or on the west coast. In need of an in-person visit?

.

What is a Deye high voltage inverter?

This DEYE High Voltage inverter supports 100% unbalanced output across each phase, making it ideal for diverse three-phase applications where load

demand varies. Its AC-coupling feature allows easy retrofitting of existing solar systems without the need to overhaul your current setup, adding significant value for upgrades and expansions.

How many units can a sun 80K support?

With support for up to 10 units in parallel, 100% unbalanced 3-phase output, and advanced AC-coupling for retrofit installations, the SUN-80K is ideal for large-scale applications requiring both power and adaptability. ⚡ Max.
