

SolarTech Power Solutions

El Salvador photovoltaic energy storage system manufacturer

Overview

We innovate with solar photovoltaic plant design, engineering, supply and construction services, contributing to the diversification of the energy matrix in our.

We provide operation and maintenance services (O&M) for solar photovoltaic plants. These services are provided by a team of world-class operators with support.

The AES Energy Storage platform provides a high-speed response to deliver energy to your system the moment it is required. This platform counts on advanced.
