

SolarTech Power Solutions

Irish industrial energy storage cabinet customization company

Overview

What are Huijue's commercial and industrial energy storage solutions?

Huijue Group's commercial and industrial energy storage solutions offer capacities ranging from 30 kWh to over 30 MWh. These solutions cover most commercial applications, such as electricity cost management, photovoltaic self-consumption, backup power scenarios, microgrids, and off-grid applications.

What are fabricated industrial storage systems?

Our fabricated industrial storage systems are manufactured to the highest quality standards for efficient and secure storage within your industry sector. Our goal is to provide you with a value-add solution that will help reduce operating costs, increase space optimisation and greater inventory control. Maximizing valuable space.

What is C&I battery energy storage?

Store. Save. Sustainable. One of Ireland's largest C&I Battery Energy Storage Solutions (BESS), seamlessly integrated with on-site solar PV that enables businesses to generate energy on-site, store the energy and use it in times of high demands or peak rates.
