Kigali Industrial Energy Storage Manufacturer

Overview

Who is Ngali energy?

Ngali Energy is headquartered in the capital of Rwanda, Kigali, at the heart of the African continent. We specialize in the development and O&M of Energy Assets in East Africa and beyond. We have an in-depth knowledge of what needs to happen to strengthen entire energy systems: from policy to generation to transmission to distribution.

What is BMS + industrial and commercial energy storage inverter?

The complete set of energy control solutions of "BMS + industrial and commercial energy storage inverter" is suitable for industrial parks, backup power, photovoltaic storage, wind storage and other application scenarios to ensure the safety of industrial and commercial battery systems. Safe operation and system performance optimization.

Who is Tu Energy Storage Technology (Shanghai)?

Safe operation and system performance optimization. TU Energy Storage Technology (Shanghai) Co., Ltd., founded in 2017, is a high-tech enterprise specializing in the research and development, production and sales of energy storage battery management systems (BMS) and photovoltaic inverters.

Why should you choose dauntu energy storage?

There are many stringent requirements on the security and reliability of BMS, and dauntu energy storage has made full preparations. From core chip selection to system-level architecture, we guarantee the safety and reliability of battery products in an all-round and real-time manner.
