

SolarTech Power Solutions

Oman Energy Storage Container Company

Overview

OTTCO was established in 2014 based on vision of developing a Crude Oil Hub in the Sultanate of Oman, located in RasMarkaz , it was annexed to the Special Economic Zone (SEZAD) in Duqm according to Royal Decree (5/2016) issued on January. Why should you invest in Oman Oil & Gas?

Presents a unique combination of offshore and floating storage with direct access to Oman's main oil fields and refinery. Potential for pipeline connection to other Gulf exporters. Promotes high-quality services to institutional clients and traders from around the world, particularly the Gulf region, East Africa and Asia.

Why is Oman a good place to invest?

Oman promotes foreign investments, allowing international companies to benefit from a low tax regime and a well-funded banking system, pushing forward private sector aspirations and revenue growth. RasMarkaz is part of SEZAD -a free zone-and so exempt from all corporate, customs and other taxes.

Why is the Sultanate of Oman important?

The Sultanate of Oman's pivotal role in the political, financial and security stabilization of the region and inside borders assure investors/clients the protection of their investment and guarantee an uninterrupted chain of supply.
