

SolarTech Power Solutions

Power breaker switch factory in Spain

Overview

Who makes a switchboard?

Pine manufactures Low Voltage switchboards and Medium Voltage switchgears with a wide range of voltages, currents and breaking capacities. More than 45 years designing and manufacturing electrical switchboards place Pine in a leading position in the main strategic markets. Furthermore, we are specialized in the manufacture of high power equipment.

Who makes pine switchboards?

Pine manufactures Low Voltage panels and Medium Voltage switchgears with a wide range of voltages, currents and breaking capacities. More than 45 years designing and manufacturing electrical switchboards place Pine in a leading position in the main strategic markets.

Who makes low voltage electrical switchboards?

Pine has extensive experience in the design and construction of the following Low Voltage electrical switchboards in fixed, compartmentalized and withdrawable execution. Our switchboards are installed in more than 35 countries all over the world. Control Units: automation and regulation boxes, control desks, consoles.

What is iberapa's new switch-disconnector?

Going forward with innovation, quality and transparency. At Iberapa we are proud and excited to develop this project, which is a new switch-disconnector under metal enclosure for use in medium voltage distribution network switchgear, eliminating the use of SF6 gas. This new design with electrical isolation systems.
