Russia St Petersburg Energy Storage Industrial Park

Overview

Will YIT build a gas turbine plant near St Petersburg?

Siemens gas turbine plant to be built in YIT's industrial park close to St. Petersburg YIT's Russian subsidiary YIT St. Petersburg and OOO Siemens Gas Turbine Technologies (SGTT) have signed an agreement under which YIT will sell a plot in the Greenstate industrial park, south of St. Petersburg, to SGTT.

What is YIT's Greenstate industrial park?

YIT's Greenstate industrial park is a zoned 112-hectare industrial area in the vicinity of the St. Petersburg ring road and Tallinn motorway, south of the city. The industrial park features fully completed infrastructure and energy, electricity, water and IT networks for use by production plants and logistics centres.

What is a Greenstate industrial park?

The industrial park features fully completed infrastructure and energy, electricity, water and IT networks for use by production plants and logistics centres. On the Greenstate a company can develop premises to be recognised in its own balance sheet or lease them from the final owner of the premises.
