

SolarTech Power Solutions

Smart hybrid inverter factory in New-Zealand

Overview

What is a smart hybrid solar inverter?

Introducing an exceptional Smart Hybrid system that showcases the latest LONGi HPBC solar panels and a Deye premium hybrid solar inverter system. This inverter is a versatile inverter that combines the functions of an inverter, solar charger, and battery charger, providing uninterrupted power support in a portable size.

What is a smart hybrid solar system?

The Smart Hybrid System combines a 5kW solar inverter and modular battery storage up to 11.8kWh. The Smart 3-Phase Hybrid System combines a 10kW solar inverter and modular battery storage of up to 28kWh. Huawei integrates the latest digital and internet technology with residential solar technology. and smart home energy management.

Who installs sigenergy hybrid inverters & energy storage solutions in New Zealand?

Planet Electrical is proud to install Sigenergy hybrid inverters and energy storage solutions across New Zealand. With their advanced technology, reliability, and efficiency, Sigenergy is an excellent choice for anyone looking to reduce energy costs, maximize solar power, and achieve energy independence.

Why should you buy a solar inverter in NZ in June 2025?

June 2025 marks a turning point for solar in NZ, with new builds, rural financing, and ICP growth pointing to structural change across residential, industrial, and utility sectors. Source high-performance hybrid, residential & commercial solar inverters. Complete technical support, local stock, and comprehensive warranties for your installations.

What is a sigenergy hybrid inverter?

Sigenergy Hybrid Inverter – Converts solar power into usable electricity and manages energy flow between the grid, battery, and home. SigenStor Battery – A scalable all-in-one storage system that integrates seamlessly with Sigenergy inverters. Sigenergy Energy Management System – AI-driven technology that ensures optimal energy usage and savings.

Why should you buy a NZ inverter?

Locally stocked inverters and batteries backed by robust NZ warranties and decades of tech expertise for swift, reliable support. Precision-engineered racking with click-in assembly, rigorously tested for wind, snow, and UV resistance—built for fast, durable installs.

Smart hybrid inverter factory in New-Zealand

Solax Generation 4, 5kW Single Phase Hybrid Inverter

The SolaX X1-Hybrid-5.0-D is a compact and powerful single-phase hybrid inverter, built for residential solar-plus-storage systems. It enables homeowners to maximize self-consumption, ...
