Overview

Who makes a folding container home?

As a manufacturer of Folding Container home, Folding Expandable Container, and Flat Packing containers, Grande upholds the philosophy of providing high-quality housing solutions and possesses years of production experience and industry knowledge.

What is a folding container house?

Aluminum sliding windows with safety bars, fire-resistant rock wool sandwich panel doors and Class A fire-resistant fabric panels. The folding container house is 100% fireproof, 100% waterproof, and 100% foldable design, which meets the standards of Germany, the United States, Japan, and Australia.

Are folding container houses a good investment?

Folding container houses have good fireproof, waterproof, corrosion resistance, sound insulation, and performance. It can resist 11-level strong wind and 10-level earthquake. This collapsible container house is the best-selling type of product as a quick-deployment accommodation for company employees in the city.
