Uninterruptible power supply battery cabinet 32 pieces

Overview

What are Arimon battery cabinets?

Arimon uninterruptible power supply (UPS) backup battery cabinets are available for either front access batteries or top terminal (monobloc) batteries. All battery cabinets are constructed from heavy gauge steel with a durable welded frame and acid resistant powder coated finish available in a wide range of colors.

What is a C&C power battery enclosure?

C&C Power Battery enclosures are configured to meet the need of all types of applications. Battery cabinets are engineered for an uninterrupted power backup source to support the continuous operation of your critical facility.

Why do we need a backup battery cabinet?

Through cutting-edge research and innovation, advanced engineered power products for backup battery cabinets have become essential to our energy future. When the power goes out, battery backups ensure that the Internet, cloud-based data, financial and health records stay accessible.
