What is the Lisbon communication base station

Overview

Rides are FREE with the Lisboa Card, otherwise you'll need to use a contactless card or mobile device to pay when you access the platforms (touch in and touch out on the card readers), or buy your ticket (a ma.

How many metro lines are there in Lisbon?

The four clean, safe, and artful lines of the Lisbon metro (shown on the map above, present at any station) connect downtown's waterfront to the northern districts and the suburbs of Amadora and Odivelas. The first lines opened in 1959 and are still expanding.

Is the Lisbon Metro a good public transport option?

The Lisbon Metro is certainly a good public transport option and the cheapest public transport option too. The stations and train carts are maintained very well and are always clean. They are safe and well lit up. If you feel unsafe while on the Metro, press the help button and security will be waiting to assist at the next stop.

What are the transport hubs in Lisbon?

For a day trip to Sintra or Cascais, or longer distance trips to Porto, the Algarve, or the rest of the country, here's everything you need to know about Lisbon transport hubs. Located in Parque das Nações (Oriente metro station on red line), Gare do Oriente is Lisbon's hub for train services.

Is the Lisbon Metro accessible to people with disabilities?

It connects to long-distance trains and buses. Access to the platforms at São Sebastião station, which connects the red ("vermelha") and the blue ("azul") lines. Only some stations of the Lisbon Metro are accessible to those on wheelchairs or with mobility issues. That means an elevator to the train platforms.

How to get from Lisbon to other cities?

As the Portuguese capital, Lisbon has several train and bus stations to get to

all destinations outside the city easily. Besides hiring a car, the possibilities for onwards travel are by train or long-distance bus (coach).

Where is Oriente train station in Lisbon?

Oriente train station is the main railway hub in Lisbon. But even if you aren't interested in train travel in Portugal, this major railway hub is worth stopping by to admire its spectacular facade. Inside, you can also find a subway/bus station and a big shopping center. Address: Av. Infante Dom Henrique 1, 1100-105, Lisbon, Portugal.
